Tryon High the school we love
Van guards of our dreams
Alma Mater Patriot School
Praise to you we bring.

Here's to our old Tryon High School
Hail! Hail! Hail!
Here's to our old Tryon High School
Hail! Hail! Hail!

High school days and high school ways
And joys of high school pale
But our love for Tryon High School
Will never fail.

We, the 1966 class

of

Tryon High School,

present

the ninth edition

of the

TRYONOTA

For eleven long years we worked hard so that some day we could proudly call ourselves SENIORS . . .

"The Swingin' 9"

"I only use Candy-Kiss pink"

those were

good years . . .

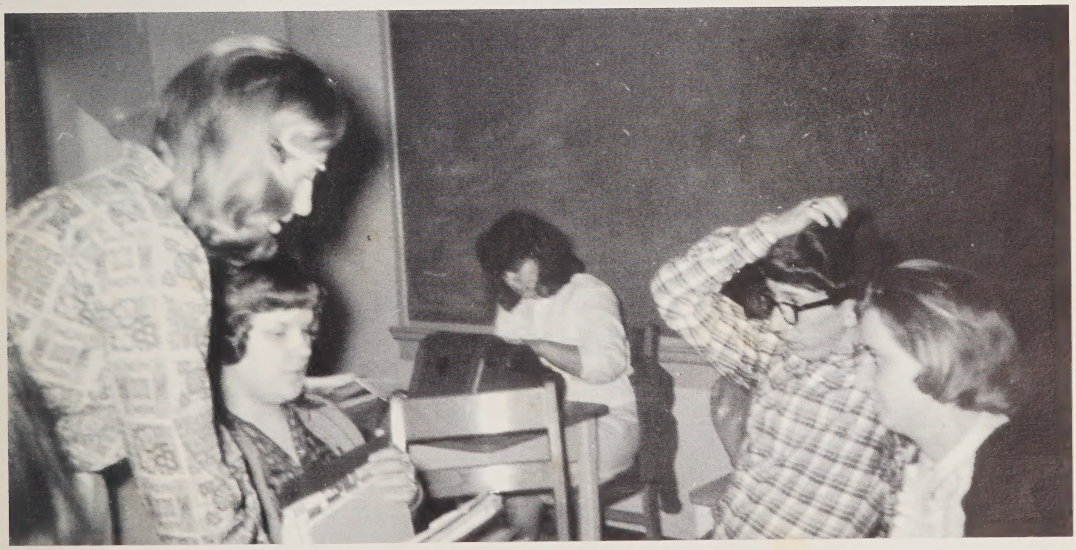
Chapel Hill - 1963

At times we were happy . . .

xx Censored xx

"Everybody stand back, there's a senior coming through."

At times we were sad . . .



"Now where did that page go?"

At times we worked hard . . .

Blooming idiots making buds.

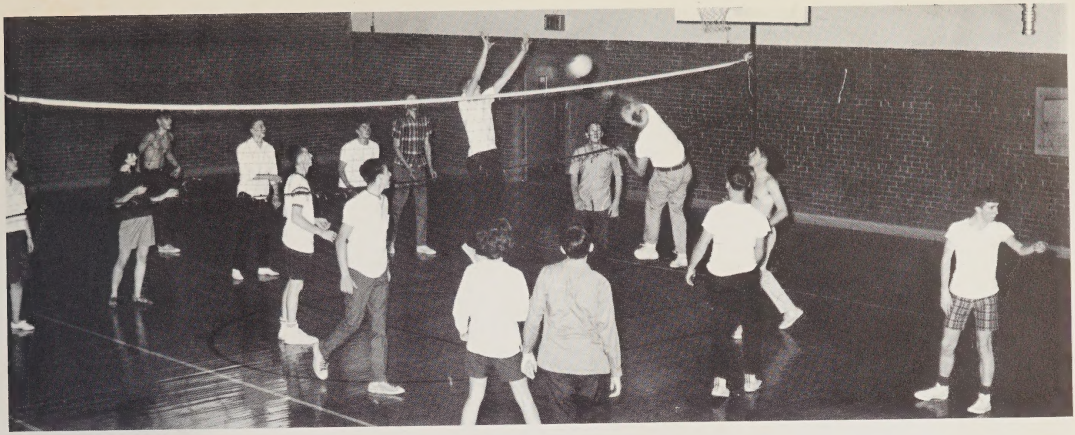
The morning after . . .

At times we didn't work at all . . .

Those wild dress rehearsals

"Are you sure that's a Pepsi?"

"Now Boys, let me tell you . . ."



Bobby and Henry playing catch.

Mr. Ramsey and his problem child.

"Randy, what have you got on your mind?"

At times we were part of a crowd . . .

Reminiscing—A time to pause, to think, to be alone . . .

At times we were alone . . .

Yes, those were good years

But this is the best of all . . .

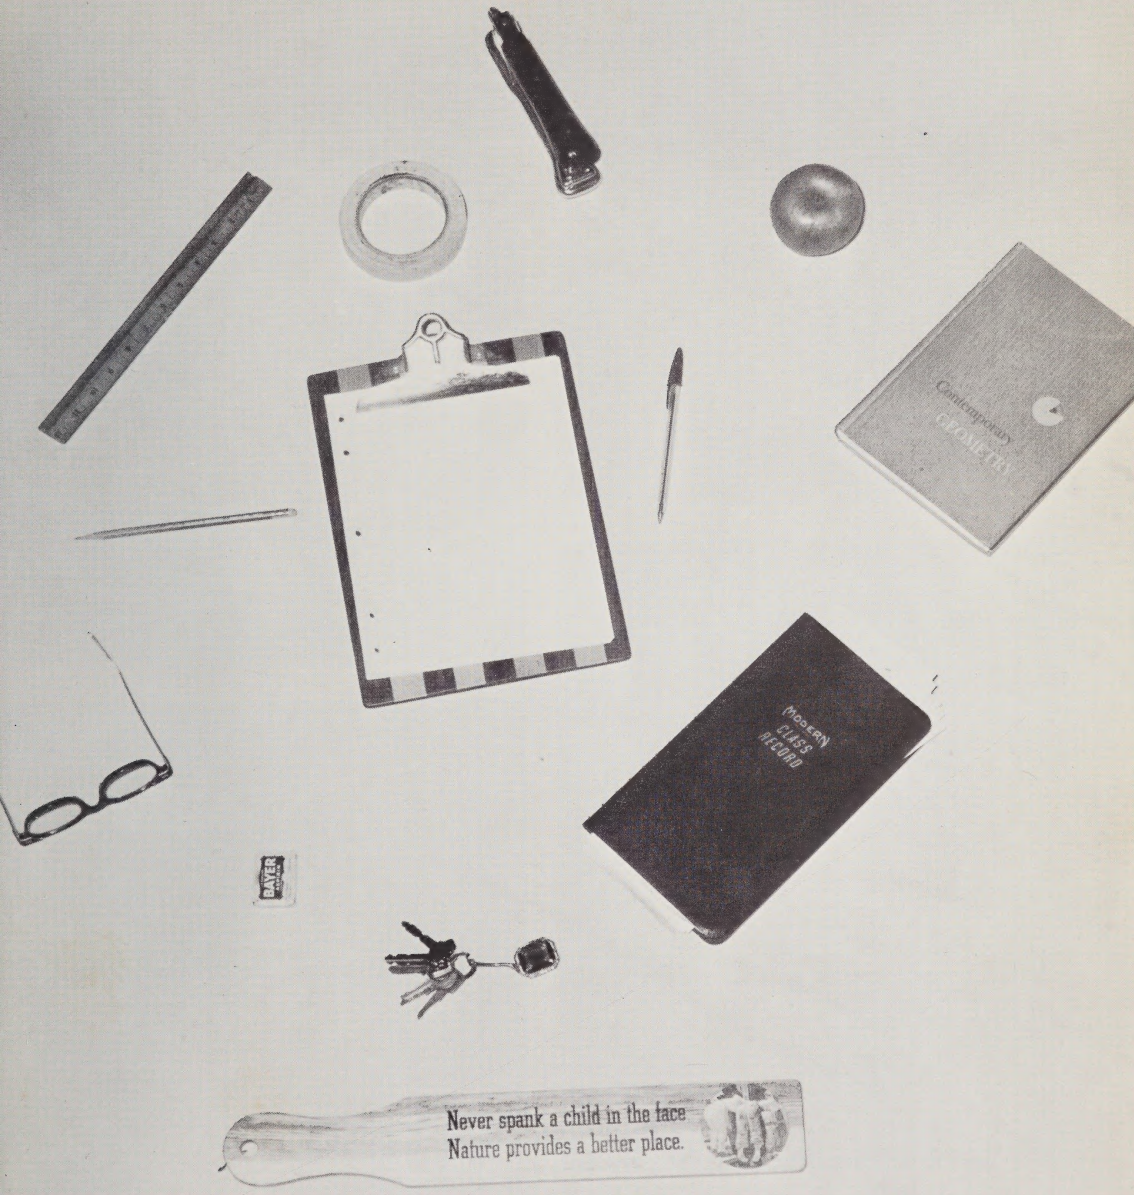
"This Is The Year That Is..."

In Dedication to . . .

MRS. LULA ROBINSON

Because as teacher and friend—you have inspired and guided us through your personal interest and genuine concern, you have become an inseparable part of our memories of past school years.

It is, therefore, with admiration and gratitude that we inscribe with your name this record of our life at Tryon High School as a lasting mark of our deep respect and affection for you.



THIS IS THE YEAR THAT IS—teachers patiently guiding us for only 180 days, but worrying about us the full 365—our school and principal working for the betterment of Tryon.

Class History

One bright day in September of 1962, sixty frightened Freshmen entered the doors of Tryon High School. Our fright, however, was soon turned to gratitude for all the help given to us by our homeroom teachers, Mr. Blair Wesson and Mrs. Evelyn Shook, and also to amazement at how friendly the upperclassmen were. Most of all we were excited about the fact that we were now in high school. The officers we chose to lead us through the first year were: Buddy Varalli, President; Elizabeth Lineberry, Vice President; Barbara Kiser, Secretary; Peggy Mauney, Treasurer; and Mary Beth Hovis and Eugene Ramsey, Reporters. Our first year will always be remembered as one of fun, anticipation, and hard work.

Being a little older and a little wiser, our class entered its Sophomore year. We didn't know what the coming year had in store for us and neither did our homeroom teachers, Miss Sherlyn Blevins and Mr. John Schibor. We once again chose Buddy Varalli as class president along with Tommy Ratchford as Vice President, Peggy Mauney as Secretary, and Barbara Kiser as Treasurer. Only forty-four members of our class remained, but we still managed to cause an uproar around THS occasionally.

We began our Junior year with the realization that half of our high school days were over; therefore, we set out to make this the best year yet. Our officers for this busy year were: Linda Carpenter, President; Eugene Ramsey, Vice President; Buddy Varalli, Secretary; Barbara Kiser, Treasurer; and Elizabeth Lineberry, Reporter. Our Halloween Carnival turned out to be the best to date and our play, "No Boys Allowed," was highly successful. As the year moved along, our thoughts turned to the Junior-Senior Prom. The prom was held in the gymnasium where our theme, "Moonlight and Roses," was beautifully displayed. Our hard work paid off in an evening of enjoyment for everyone present. The year progressed further. At graduation exercises the marshals were: Linda Carpenter, Chief; Jewell Alexander; Elizabeth Lineberry; Dale Huffstetler; Vickie Hutchins; and Elaine Ramsey. More than ever we began to realize that the time was drawing near when we would be the graduating class. Mr. Harry Huss and Mr. Howard Saine deserve a great deal of credit for helping us through this eventful year.

Our final year began under the guidance of Mr. Harry Huss and Miss Elizabeth Cook. Our class enrollment was now only forty-one. The class officers chosen were: Tommy Ratchford, President; Ann Bridges, Vice President; Dale Huffstetler, Secretary; Barbara Kiser, Treasurer; Phyllis Howell, Reporter; and Elizabeth Lineberry, Chaplain. Linda Carpenter was chosen editor of the TRYONOTA and Peggy Mauney editor of the Tryon Herald. Peggy Blanton was chosen Miss TRYONOTA with Tommy Ratchford and Barbara Kiser chosen Mr. and Miss THS.

This, our final year, we believe is the best. As the time nears for our departure from a place that has held our hardships, our pleasures, our happy times, and our troubled moments, we realize that we have something unique, something we can take with us no matter which road we may travel in later life. We have the precious memories of the past four years, four great years, four years that will live on in our hearts forever. Our deepest appreciation is extended to all those who helped us through these years—helped us to prepare for what lies ahead for each and everyone of us.

In Memoriam

For as peace comes
After suffering,
And Love is reward
Of pain.
So after earth
Comes heaven,
And from our loss
Its gain.

May these words be a comfort to the friends and family of Jane Ramsey who left us on November 28, 1965. Jane's winsome personality endeared her to all she met. Memories of her years with us will enrich our lives in a noble way.

Appreciation Page

The TRYONOTA Staff would like to speak for all the students of Tryon in appreciation of Mrs. Vinnie Rhyne. Through long years of tireless effort Mrs. Rhyne gave many children the foundation of knowledge that will last a lifetime. None who have known her will forget all she has done for the individuals of our school. We couldn't begin to express in this small space our gratitude for instilling in us the qualities of leadership and citizenship. Even though Mrs. Rhyne is no longer on the staff of Tryon, she will always be here in our hearts.

We should also like to express our appreciation to:

Mr. and Mrs. Lovingood for the good examples they always set.

The faculty for their guidance, patience, and unceasing efforts.

The cafeteria workers for their cheerful willingness to help out whenever called upon.

The bus drivers who put up with all of us.

Blanton's Studio in Cherryville for twice loaning the drape for senior girls' pictures.

Doty's Men and Boy's Shop in Cherryville for loaning the tuxedo jackets for our senior boys' pictures.

Mr. Huss for being more than a teacher to us. Especially during our junior and senior years he has helped us more than any other individual. A special thanks to him from the TRYONOTA staff.

THIS IS THE YEAR THAT IS — quickly coming to an end. As seniors, we will always remember our years at T. H. S. more vividly when we look at the '66 TRYONOTA. At this time we would like to thank the persons who helped make our annual possible.

I've reduced electric rates 16 times!

It's hard to imagine anything costing less today, but electricity does. In January, 1965, Duke Power made its 16th rate reduction since 1913 — the fifth in less than six years. Now the average cost of a kilowatt hour of electricity to Duke Power's residential customers is actually one-third less than 20 years ago. These rate reductions have helped Piedmont Carolinians improve their standard of living through their ever increasing use of low-cost electricity for appliances and heating.

Tryon High the school we love
Van guards of our dreams
Alma Mater Patriot School
Praise to you we bring.

Here's to our old Tryon High School
Hail! Hail! Hail!
Here's to our old Tryon High School
Hail! Hail! Hail!

And joys of high school pale
